

RECEIVES AWARD — "Kiwanian of the Year" Chester Wolfe is presented with a living memento for his outstanding work as chairman of the boys' and girls' activity committee of the El Camino Kiwanis. Pictured left to right are Ed Kobata, past president Henry Larson, Wolf, president Ted Whitting, chairman of the agriculture and conservation committee Cliff Manners and Yo Minami.

Local Kiwanis Wins National Recognition

Kiwanis International received a Distinguished Service Award for "Americanism and Citizenship Projects," in the 1961 Freedoms Foundation Award presentation ceremony, February 22, at Valley Forge, according to H. G. Stephens, president of the Kiwanis Club of Torrance.

Two Torrance men are being assigned to Sheppard AFB, Tex., to attend technical training courses following completion of United States Air Force basic military training at Lackland AFB, Tex.

Airman Basic Philip J. Rusch, son of Mr. and Mrs. Merwin J. Rusch, 3422 West 229th St., will attend a course for communications center equipment specialists. A graduate of South High School, he attended El Camino College, Redondo Beach.

Airman Basic Jose Ramirez, whose wife is the former Pauline Brocamontes, 1558 West 213th St., will be trained as an aircraft maintenance specialist. He is a 1961 graduate of Narbonne High School, Harbor City.

This is the most important award that the Freedoms Foundation grants. It is the eleventh which Kiwanis has achieved. "Kiwanis' award was based primarily on its dramatic CQ (Citizenship Quotient) project," H. G. Stephens, club president said. He described the CQ program as one which encourages citizens to determine their own citizenship activity, taking steps to correct any deficiencies noted. A major award, the George Washington Honor Medal, also came to Circle K International for that group's "College Campus Citizenship Programs." Circle K International is a college men's service organization sponsored by Kiwanis. It numbers some 7200 members in 379 campus clubs.

'Know Your Government' Is New Study Program for Provisionals

"Know Your Town Government" will be the topic of the first series of discussions to be held next week by the newly-organized Provisional League of Women Voters of Torrance as part of its overall Know-Your-Town study program. Special emphasis will be placed on the city charter framework for elective offices and election machinery of local elections.

In addition to exploring the city charter, the group will hear a presentation of pros and cons on the ballot measures to appear on the April 10th ballot. One of the functions of the league is to present impartial facts for and against all ballot measures and to answer questions based on research on those issues, according to Mrs. W. L. Geissert, voters service chairman.

Three study units have been scheduled for next week as follows: Tuesday at 7:45 p.m. at the home of Mrs. C. R. Berwanger, 5617 Andrus Ave.; Wednesday at 9:45 a.m. at the home of Mrs. S. R. Saunders, 5128 Merrill St.; and Thursday at 7:45 p.m. at the home of Mrs. Edward Garwin, 414 Paseo de la Playa, Redondo Beach.

Meetings are open to the public. Persons interested in obtaining additional information about the league are invited to contact Mrs. Robert Christensen, membership chairman, FR 5-8270.

Community Makes Progress Toward Freedom Purchase

Torrance community recently made \$420,819.83 progress for the year to date toward purchase of national defense items to protect freedom against Communist aggression.

Volunteer Savings Bonds Chairman George W. Post so reported as the nation's Freedom Bond campaign got under way.

Sale of Savings Bonds for this area for the first two months of this year were \$420,819.83; for February, \$178,762.06.

In making the report, the chairman said:

"Our goal for the sale of Savings Bonds during this campaign, climaxing in May and concluding in June, is \$1,231,330. The military weapons this will fund the cost of as an investment in freedom will be announced next month.

"Quite properly, some are calling Savings Bonds Freedom Bonds.

"They help fund the financing of vastly expensive military weapons, hardware and space race necessary to defend the survival of this free nation.

"They are the one way every American can answer the Communist threat to bury us. Some may become soldiers, sailors, Marines and airmen; some may become scientists; others serve the Peace Corps—but ALL can buy United States Savings Bonds. In this manner all can patriotically serve the cause of peace."

Civil Defense Graduates John S. Smith

John S. Smith, 22725 Elm Ave., Torrance, recently received a graduation certificate from the Los Angeles Civil Defense and Disaster Corps for completion of an intensive 32-hour basic and light-rescue training course.

The training course, conducted by the Los Angeles City Department of Public Works, at the Mt. Lee Rescue Training Center, is designed to teach the basic procedures of emergency rescue to volunteer civil defense workers, government employees, and personnel of various local business and industrial firms.

Smith, who is employed by the Los Angeles City Department of Airports, received instructions in fire and panic control, first aid, stretcher lashing, horizontal and vertical lowering, search and tagging of casualties, and knot tying.

Graduation exercises included a realistic test, under simulated bombing condition, of the knowledge gained from the course.
